LUMA KEYS · YOUR PIANO PRACTICE COMPANION

# Für Elise · opening

Beethoven · a two-hand challenge · ♩ = 72 · 9 bars

Numbers name notes, not fingers. The pitch label tells you the exact key: C4 is middle C; C5 is one octave higher. Notes grouped side by side at the same beat form a chord. Mint = right hand; lavender = left hand. Durations use quarter-note beats. ♩ = gives the quarter-note tempo per minute.

## YOUR PRACTICE PATH

1. Start at 50% speed with Right hand and Wait for me. The opening 3 – ♯2 is E5 – D♯5, above middle C.
2. Try Left hand alone next: A2 – E3 – A3. These lavender notes begin in app bar 3; let the spaces between them stay quiet.
3. Listen to Both hands, then loop bars 3–4. The pickup is app bar 1; each full bar has three eighth-note pulses. This excerpt ends after the first ending, without a repeat.
